Type 1

Get Nearest
BusStops and
CarParks

Type 2

To Get Shuttle Bus
or Driving Routes
from Current
Location or Selected
Point

To get Shuttle Bus Timings, you need to select all options in Type 2. Shortest means the shortest Route, Fastest means the fastest arriving Bus.

Driving needs only the first two options selected. Opens Maps App for navigation.

Shuttle Bus Routing

Browse through the Route to see how the Route goes. Tap Journey Tracker to get a List View

Shuttle Bus Routing

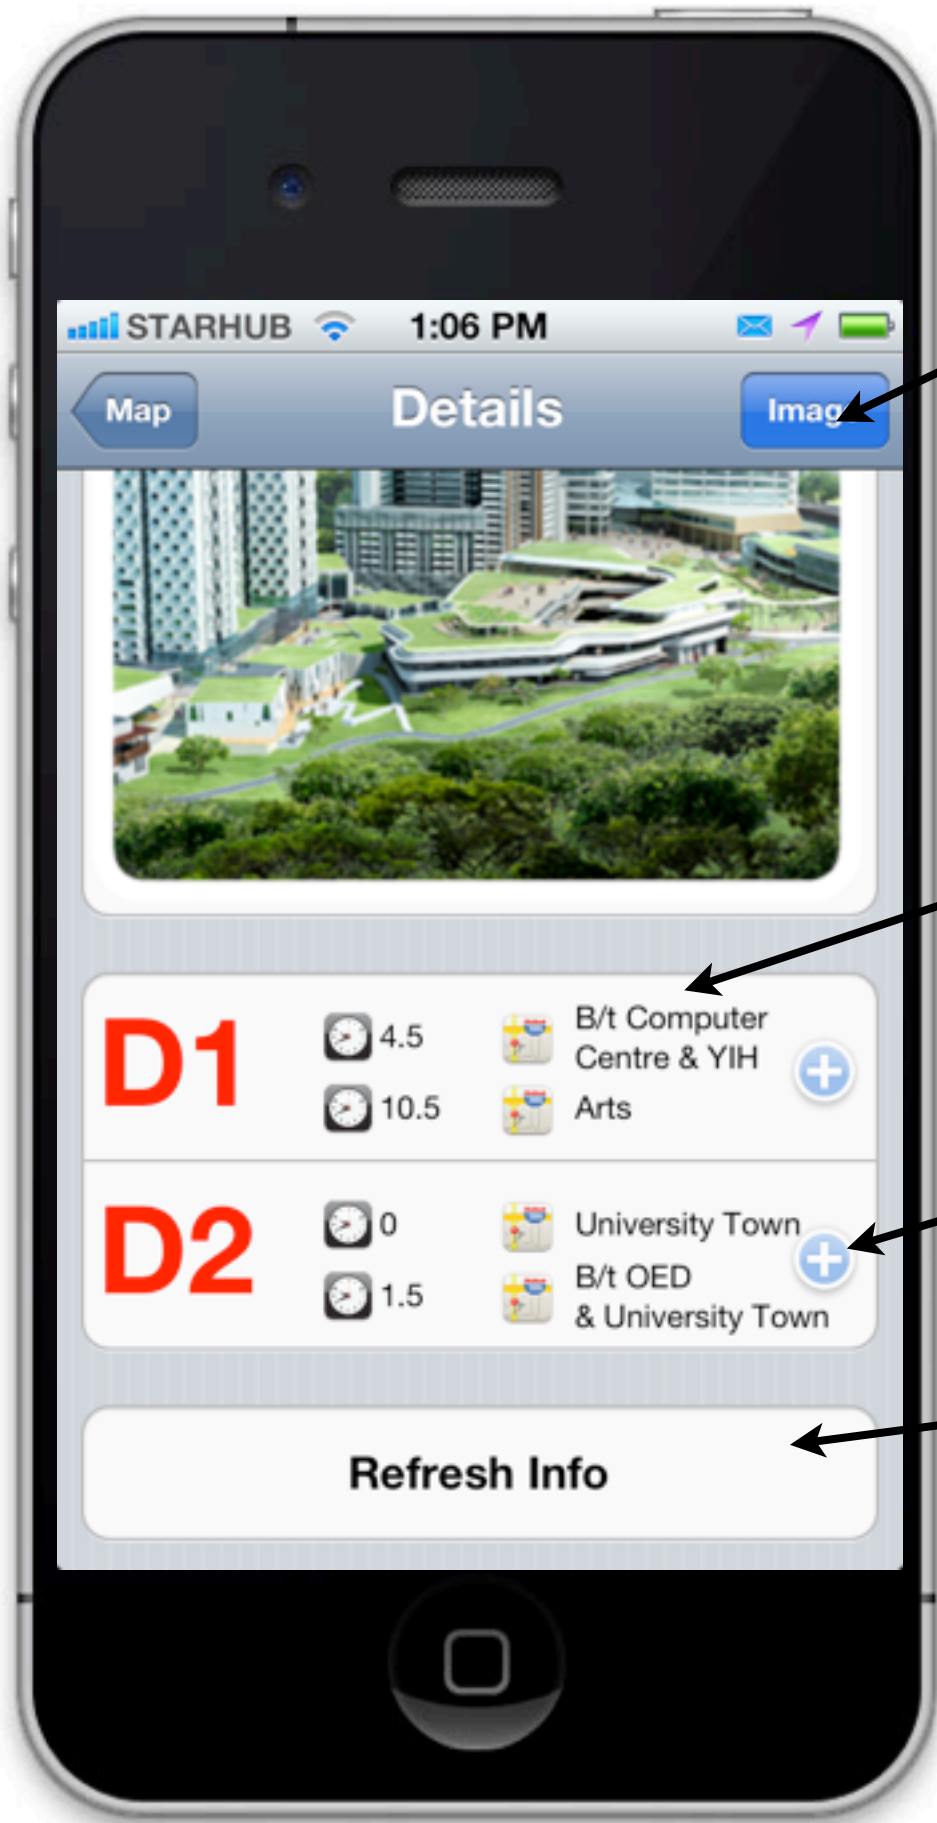

Refresh
Bus
Timings

Where
you are
now

Tells you where to Alight, Change
Bus or Switch Bus at a Terminal

Bus Timings

Add an Image to this Locale

Tap this to get more Info

Tap this to track the Bus on the Map

Refresh Timings

Get Timings, Bus Locations and also tap the blue icon to track the Bus

Bus Tracking

Tap this to stop the Tracker, or hit stop or Clear

See the Bus Timing, Plate Number and location right here

Start Tracking the NUS Shuttle Bus!
Don't track for too long though!
